WINTER 2019/20

NOVEMBER 2019 - Recruitment Event

A few months ago, we held our recruitment event in Angel Place Shopping Centre in Bridgwater from 4th - 7th November.

Kiana, Katie and James were running the event and the results and feedback have been fantastic! We received so many people interested in working within the care community, and we also had a lot of client interest too!

"We got to chat to some wonderful people and also hear a wide range of stories from members of the public on how dementia has either affected them or their family and friends." - Kiana

Thank you to everyone who came to the stall, it's so wonderful to see people passionate about working in care!

DECEMBER 2019 - Client Christmas Dinners

Every year, Dementia Care TLC provides a Christmas dinner service for all of our lovely clients. This is complimentary in line with the Christmas spirit and invite all of our clients to the service through a letter that we send out at the start of December asking if they'd like a Christmas dinner.

Jacqui, Dementia Care TLC's founder and CEO, filled the kitchen with the aromas of a wonderful turkey dinner which included roast potatoes, Yorkshire puddings and vegetables. These were then sent off on Christmas Eve to be heated up on Christmas Day.

At Dementia Care TLC, we care about the quality of life and personal care of all of our clients and we believe this is an amazing way to give back to our clients during the holiday season.

For those of you that took part, we hope you enjoyed it and look forward to serving you next year!
